Letters from Director-General of Railways, Nos. 724E. and 764E., of 21st and 25th April, 1887, respectively.

OBSERVATIONS.—With the letters read, the Director-General of Railways forwards communications from Brigadier-General J. Browne, C.B., C.S.I., R.E., late Engineer-in-Chief, Sind-Pishin State Railway, reporting that on the 14th March, 1887, the rails were linked throughout from Sibi to Quetta *via* Hurnai, a distance of 155 miles; also throughout the 43 miles from Bostan to Gulistan and Killa Abdulla.

Brigadier-General Browne brings to notice the many hardships cheerfully endured by the staff under him, the great self-sacrifice displayed and the many great and disheartening difficulties successfully overcome under circumstances which, in his opinion, have seldom had a parallel; and for these reasons he asks that the Government of India may be pleased to accord its approval of their exertions by the grant of some fitting recognition of the services of the staff employed. The Director-General of Railways endorses this recommendation.

RESOLUTION.—The Governor-General in Council heartily congratulates Brigadier-General Browne and his staff on the satisfactory completion, in the face of grave difficulties, of this great work, and desires that the thanks of the Government of India may be communicated to him and to the Engineering and Subordinate staff who have been associated with him.
